Guess What I'm Thinking

A yes-or-no guessing game. 20 secret cards, or think up your own.

How to play

One person draws a card and keeps it secret. Everyone else asks yes-or-no questions to work out what it is. Twenty questions to get it, or the card-holder wins the round.

The category helps

Each card says whether it's an animal, a thing, a place or a job. Say the category out loud before the questions start.

Good first questions

Is it alive? · Is it bigger than a car? · Can you hold it in one hand? · Is it found outside? · Can you eat it? · Does it make a sound? · Is it soft? · Does it have legs? · Can it fly? · Would you find it at home? · Is it a color you can name? · Does it need electricity?

Little kids

Give them unlimited questions, and let them be the card-holder with a grown-up whispering help. Big kids can play with no category.
