Riddle Hunt: setup and answer key

For grown-ups. Cut out the clue cards on the next pages, then hide each one where this table says. Give card 1 to the kids.

1	Give to the kids	The fridge
2	The fridge	The bathtub
3	The bathtub	Your pillow
4	Your pillow	A shoe
5	A shoe	The bookshelf

7	Under the couch cushions	The doormat
8	The doormat	The washing machine
9	The washing machine	A coat pocket
10	A coat pocket	The Christmas tree (the prize!)

- Hide the prize (a small gift, a treat, or a "you're in charge of the next movie" card) last.
- Missing one of these spots? Swap that card for a spot you do have, using the blank clue cards.
- Readers ages 6–10 can run it alone in about 15 minutes. Pair a reader with a younger sibling to make it a team game.
