Road trip clue hunt

Pick any four clues. Name what you saw and give one detail that proves it fits.

- [ ] Something that carries more than one car
- [ ] Something with wheels that is being towed
- [ ] A structure that lets traffic cross water
- [ ] A sign with an arrow pointing left
- [ ] A vehicle carrying something you can see
- [ ] A building with a picture of food on it
- [ ] Two objects with the same color but different jobs
- [ ] Something built to keep animals off the road

Sketch or write your best find at the next stop.
